

Summer 2009

Welcome to Summer Skateboard Clinic 2009! We will have one Skateboard Clinic director and three counselors (see the 'Meet the Skateboard Staff') provide skate lessons to all participants. Four Junior Counselors will also assist counselors with the skaters every two sessions. The counselor to skater ratio is 7 skaters to 1 counselor (not including Junior Counselors). Our staff is experienced with children and skateboarding. Skaters will be placed in groups based on ability.

Skateboard Camp's headquarters is at Skater's Point Park, located on the beach (how cool is that!) on Cabrillo Blvd. at Garden Street. Clinic hours are **8:30-11:30 AM, Monday through Friday. Session #1 starts Monday June 8th with each session following in one week increments. Skate Clinic will be held on Friday July 3rd.** The last session of Skateboard clinic (session #12) will be held August 24th-28th.

Please sign your child in and out of Skaters Point everyday and have a picture ID available for Identification. If your child is going to be picked up by someone other than yourself, and is designated to do so in your Activity Registration Form, please let staff know in advance. **PLEASE FOLLOW THE DIRECTION ARROWS IN THE PARKING LOT WHEN DROPPING OFF AND PICKING UP SKATER(S), AND DRIVE SLOWLY.** Thank you. **Skaters are not allowed to stay and skate after the clinic unless signed out of camp by an authorized adult.**
